Dear Sir/Madam

I am requesting permission for my child \_\_\_\_\_ to be absent from school one day per week during term time to attend Forest School which will be held each \_\_\_\_\_ from 9:30- 2:30 pm.

Forest School is a philosophy of long term learning which will enhance my child's development through developing skills which will support increased resilience and competencies transferable for the classroom environment.

Some of the experiences include: building shelters, hand tool use and bush craft, development of a knowledge of flora and fauna and how to care for our Forests and woodland areas, outdoor numeracy and literacy, oral language, STEM, and building up of friendships for increased social skills.

Fantail Nature School educational sessions are run by Jo Marsden and her team of Forest School leaders and assistants, a trained ECE teacher and Forest School level 3 leader with over 23 years of supporting and extending children's learning and development in the Early Childhood sector.

The nature education will also be led by other leaders who will be trained or in training within the education sector or Forest School level 3 international certificate; who will work with and alongside

children and follow our policies and procedures.

A handbook of the policies and procedures are available upon request and we use the appropriate ECE regulations and are guided by best possible practice.

For further information please don't hesitate to contact Jo on 0212327512 or e mail [fantailnatureschool@gmail.com](mailto:fantailnatureschool@gmail.com)

Signed: \_\_\_\_\_ (Parent/guardian)
